

13<sup>TH</sup> ANNUAL CARDIOVASCULAR RESEARCH DAY

OCTOBER 22, 2010

LEXINGTON CONVENTION CENTER

**Schedule of the Day:**

8:00 AM	Pre-Registered Guest Check-In				
8:30 AM - Noon (Thoroughbred 1-3)	T32 Symposium				
9:00 AM (Bluegrass Ballroom 2)	Scientific Poster Viewing				
12:00 P.M. (Bluegrass Ballroom 1)	Lunch				
12:30 PM (Bluegrass Ballroom 1)	Welcoming Comments <b>Lee T. Todd, Jr., Ph.D.</b> , President, University of Kentucky				
12:40 PM (Bluegrass Ballroom 1)	<b>Ronald E. Law, Ph.D., J.D.</b> , Vice President, Takeda Pharmaceuticals International <i>"Biomarker Consortia to Enable CVD Drug Discovery - The Takeda Experience"</i>				
1:30 – 3:30 PM (Bluegrass Ballroom 2)	Poster Judging. Judging Times: <table> <tr> <td>Odd Numbers</td> <td>1:30 – 2:30 PM</td> </tr> <tr> <td>Even Numbers</td> <td>2:30 – 3:30 PM</td> </tr> </table>	Odd Numbers	1:30 – 2:30 PM	Even Numbers	2:30 – 3:30 PM
Odd Numbers	1:30 – 2:30 PM				
Even Numbers	2:30 – 3:30 PM				
4:00 – 4:30 PM (Thoroughbred 1-3)	<b>Garret Fitzgerald, M.D.</b> , Chair, Department of Pharmacology University of Pennsylvania <i>"Peripheral Clocks in Cardiovascular and Metabolic Function"</i>				
4:30 – 5:00 PM (Thoroughbred 1-3)	<b>Joseph Loscalzo, M.D., Ph.D.</b> , Chair, Department of Medicine Brigham and Women's Hospital <i>"Redox Dysregulation in Cardiovascular Pathobiology"</i>				
5:00 PM (Bluegrass Pre-Function)	Reception				
5:45 PM	Dinner				
6:15 PM	Presentation of Saha Awards and Poster Awards				
6:30 PM	Closing Remarks				

**On-line Registration September 3— October 10: <http://SahaCVRC.uky.edu>**

**Special Needs:**

We make every effort to ensure that our programs are held at facilities that are fully accessible to persons with mobility disabilities. If you will need other special assistance relating to a disability, please contact Casie Stevens, 859-323-3467

**Objectives:**

1. Integrate basic and translational research concepts into their own research projects via peer-to-peer information exchange
2. Effectively present research to different audiences
3. Identify potential translational opportunities through interaction at seminars and poster sessions
4. Review current and new findings associated with Redox Regulation in Cardiovascular Pathobiology
5. Discuss topics of research and current knowledge of Peripheral clocks in Cardiovascular and Metabolic Function
6. Describe pancreas functionality and role of group X sPLA2
7. Evaluate the impact of diet on plasma lysophospholipids
8. Discuss the effects of polychlorinated biphenyls on macrophages

**Disclosure Statement:**

All planners, speakers, authors, reviewers and staff members involved with content development for continuing education activities sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

**Accreditation:**

The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Kentucky College of Medicine designates this live activity for a maximum of 4 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

*The University of Kentucky is an equal opportunity university*
